

ch  
Longitudinal profile of vertical field

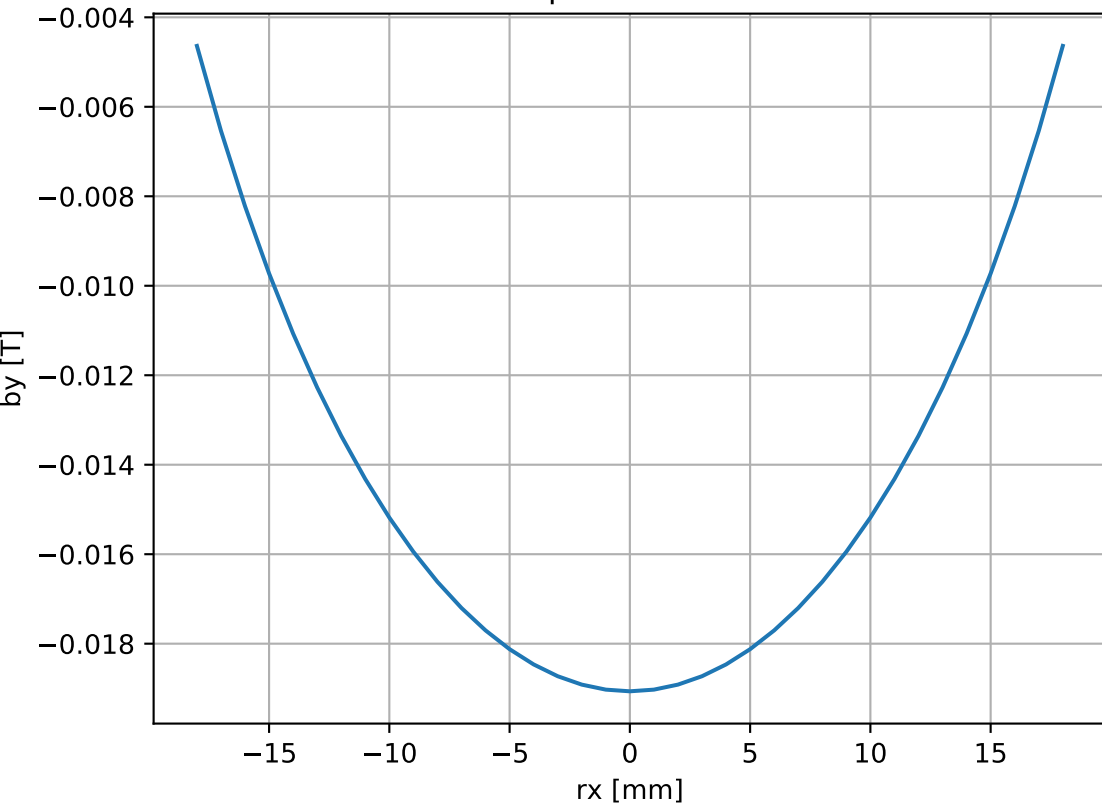

ch

# Longitudinal profile of horizontal field

1e-7

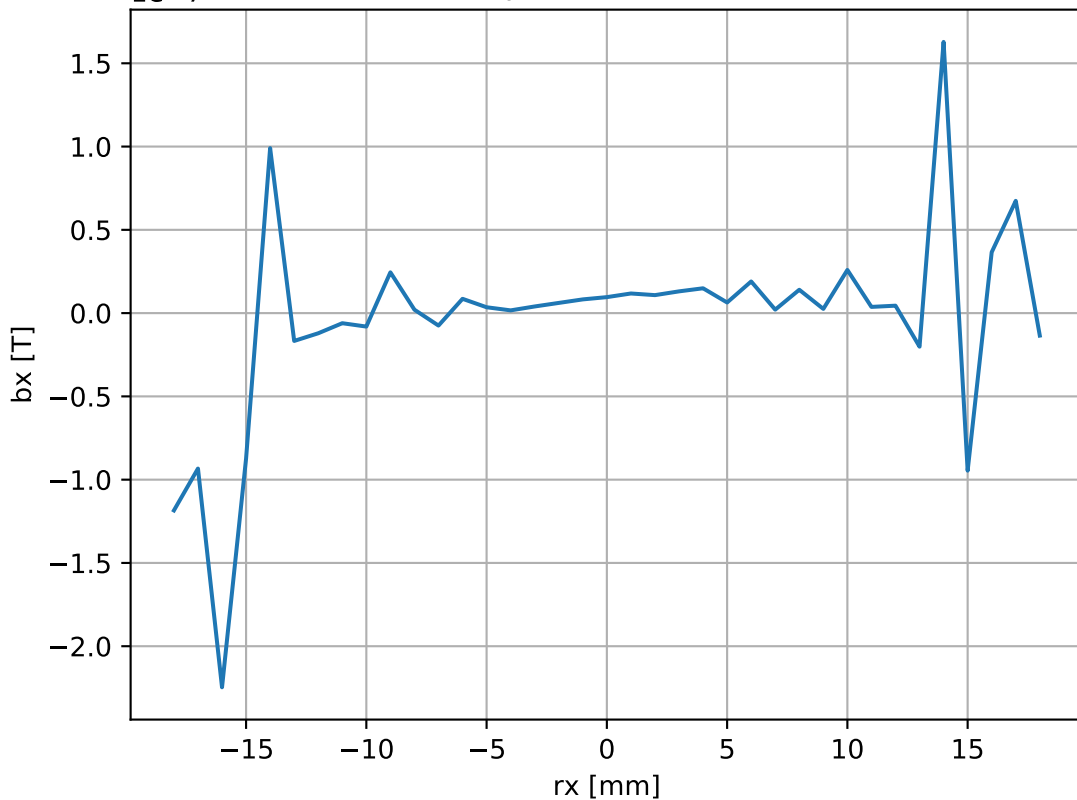

ch  
Transverse profile of vertical field

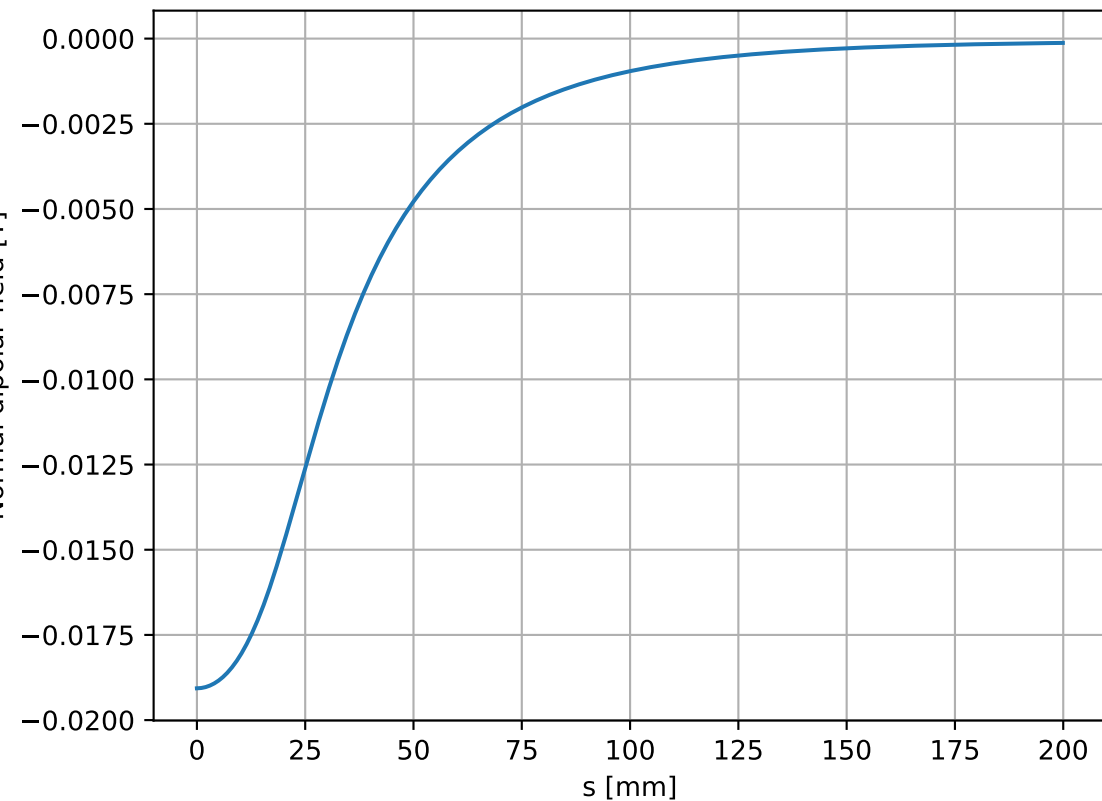

ch  
Transverse profile of horizontal field

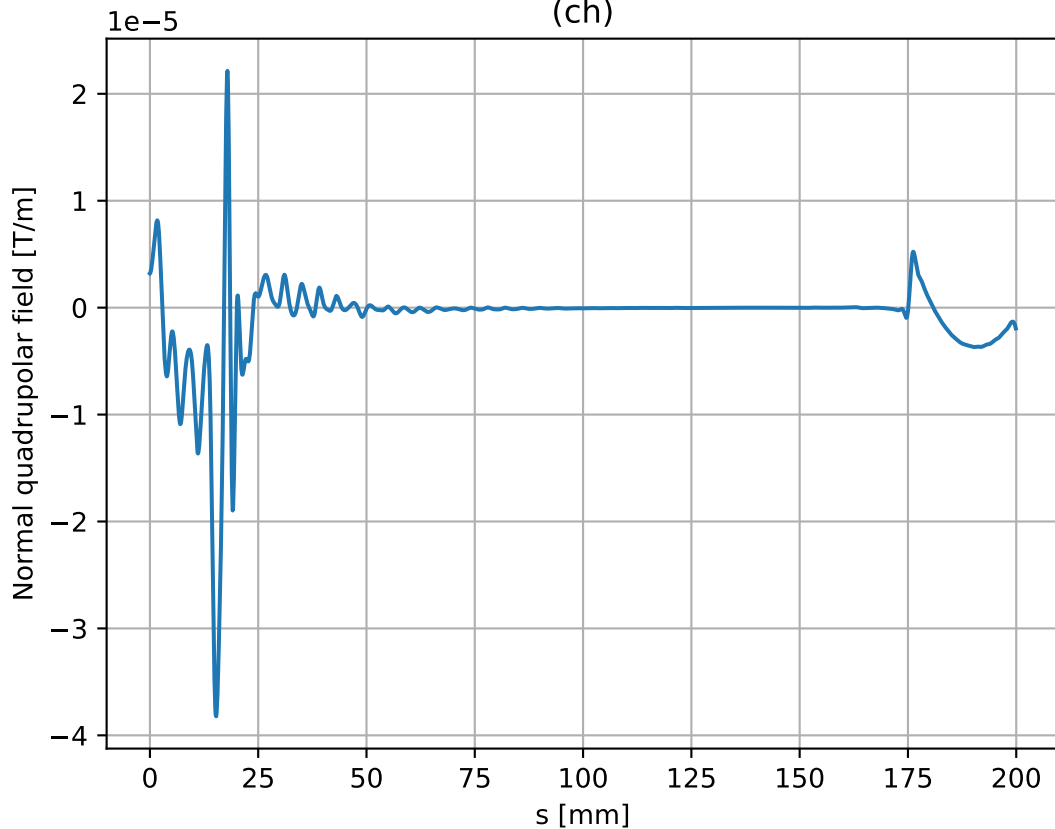

$1e-7$

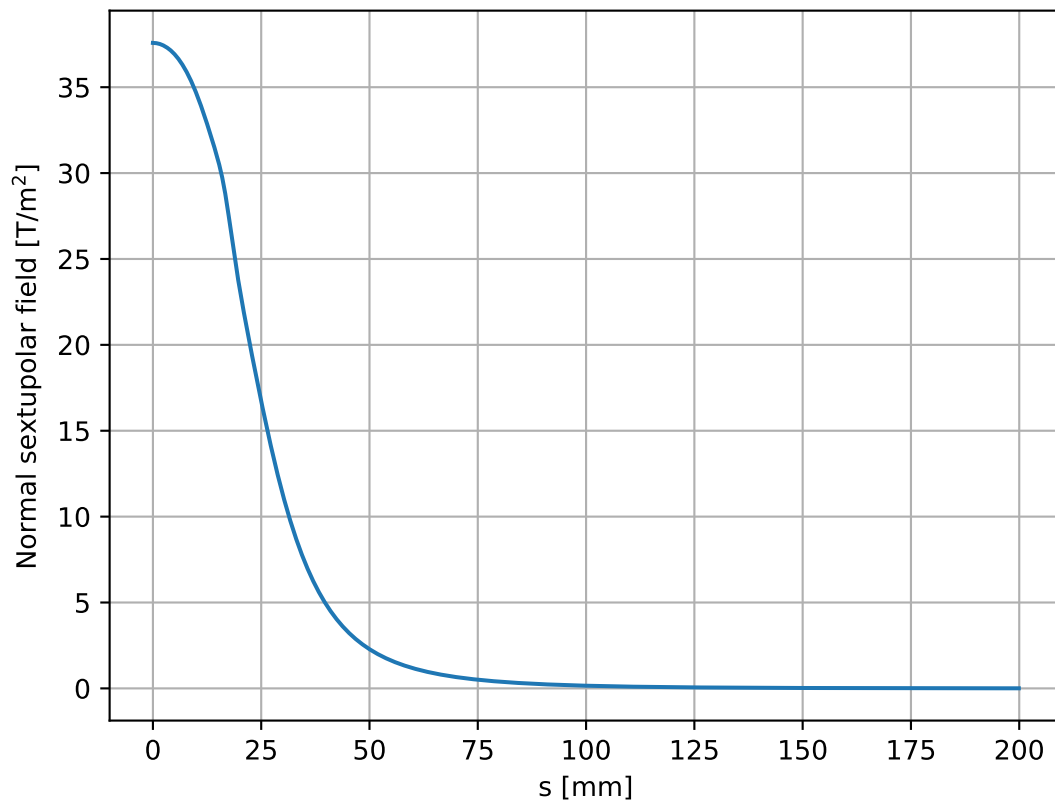

Normal dipolar field along trajectory  
(ch)

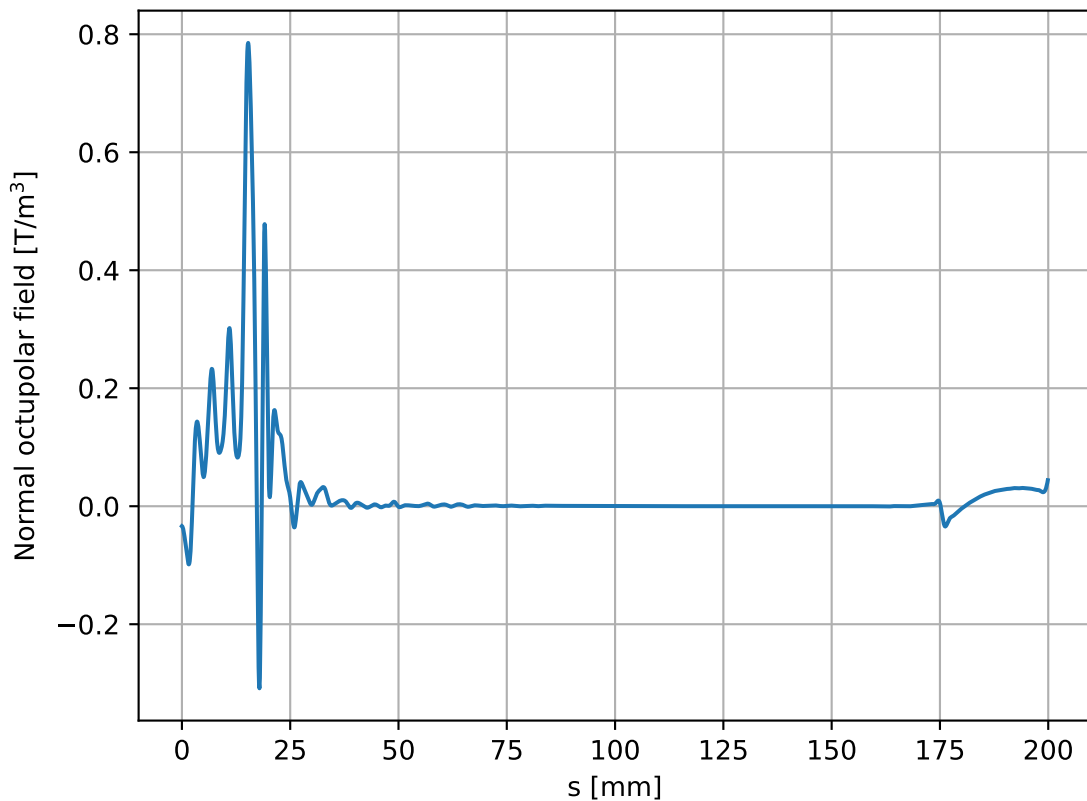

Normal quadrupolar field along trajectory  
(ch)

Normal sextupolar field along trajectory  
(ch)

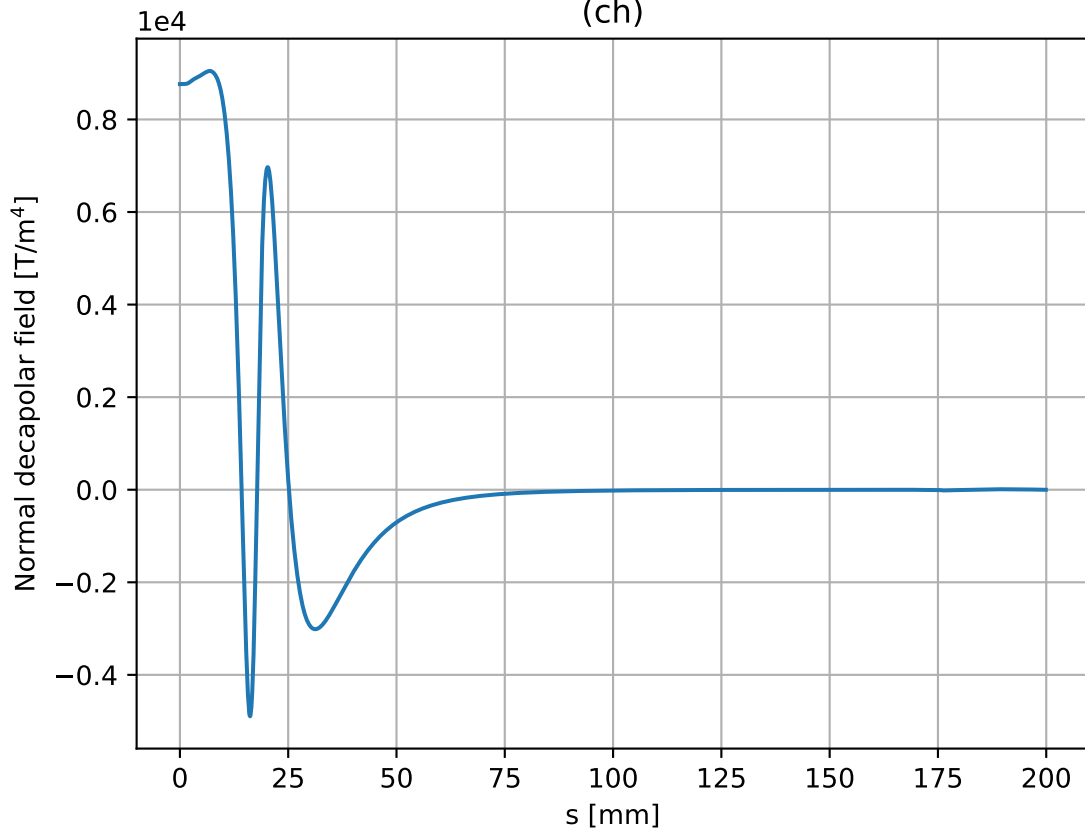

Normal octupolar field along trajectory  
(ch)

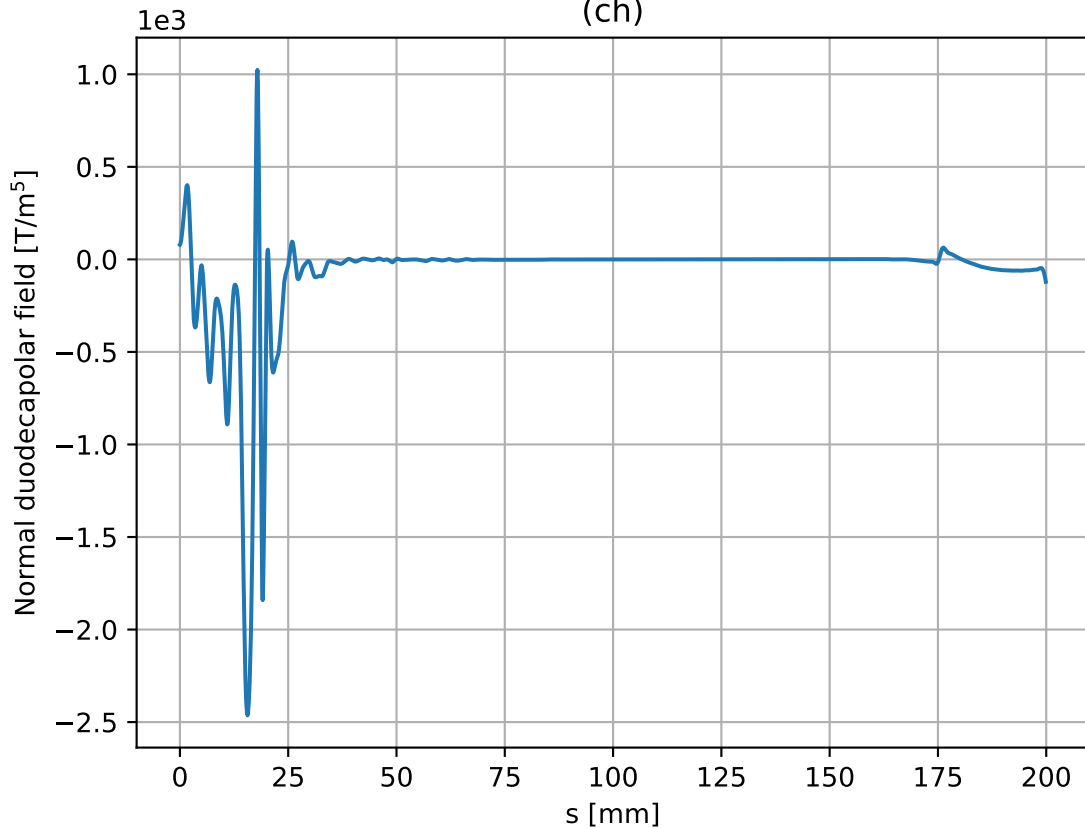

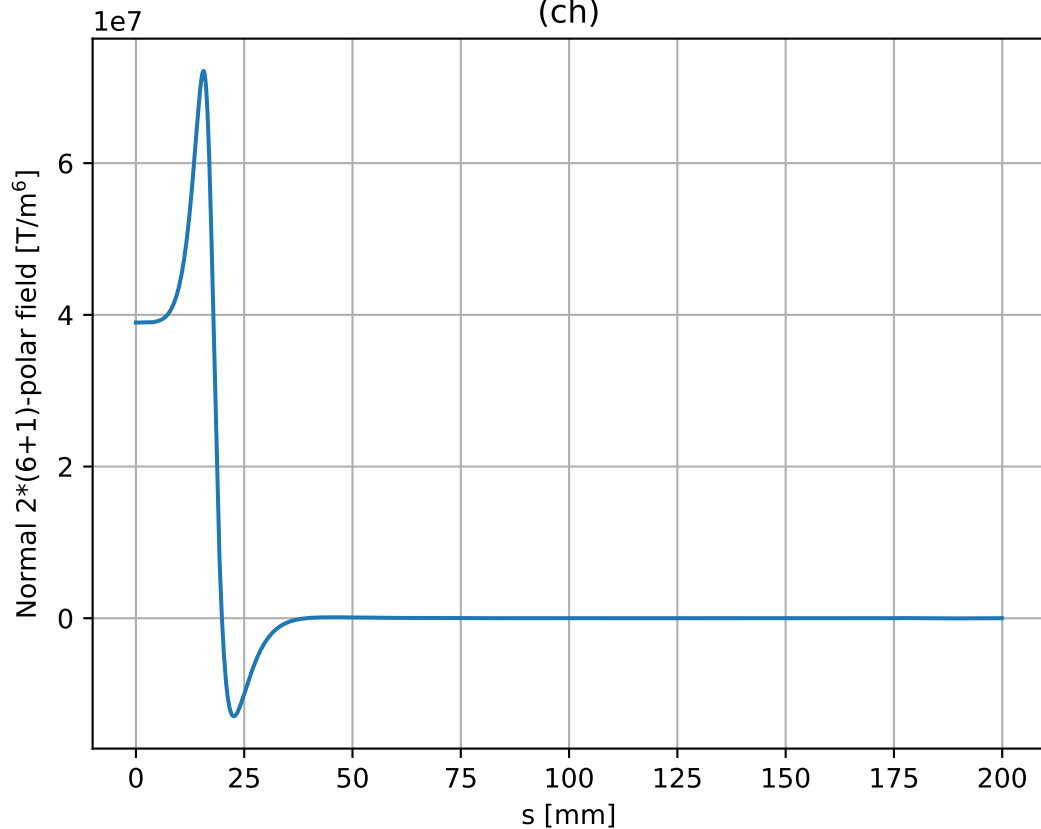

Normal decapolar field along trajectory  
(ch)

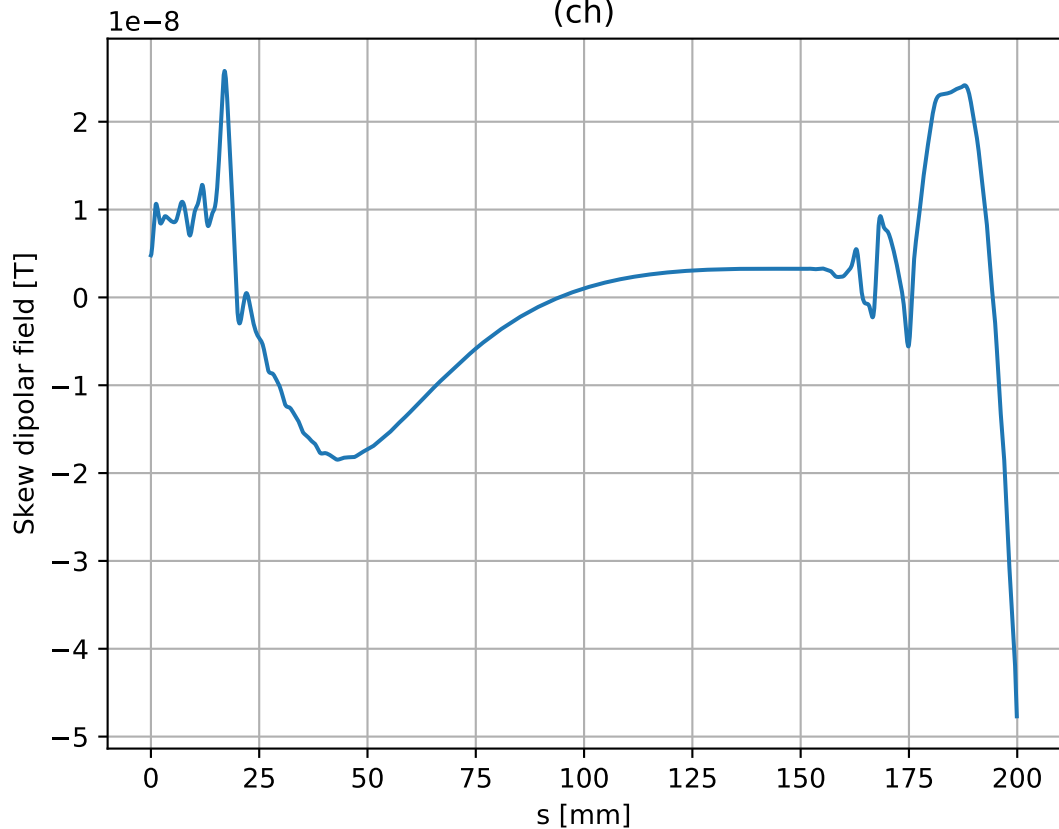

Normal duodecapolar field along trajectory  
(ch)

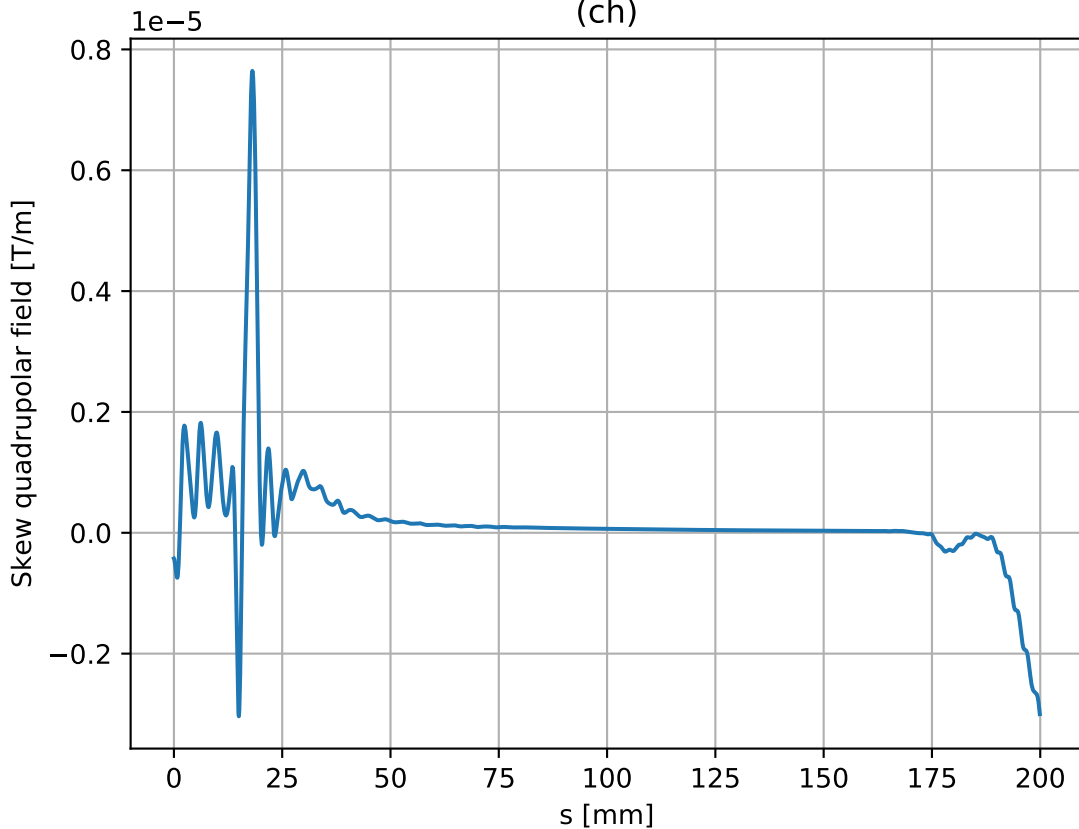

Normal  $2 \cdot (6+1)$ -polar field along trajectory  
(ch)

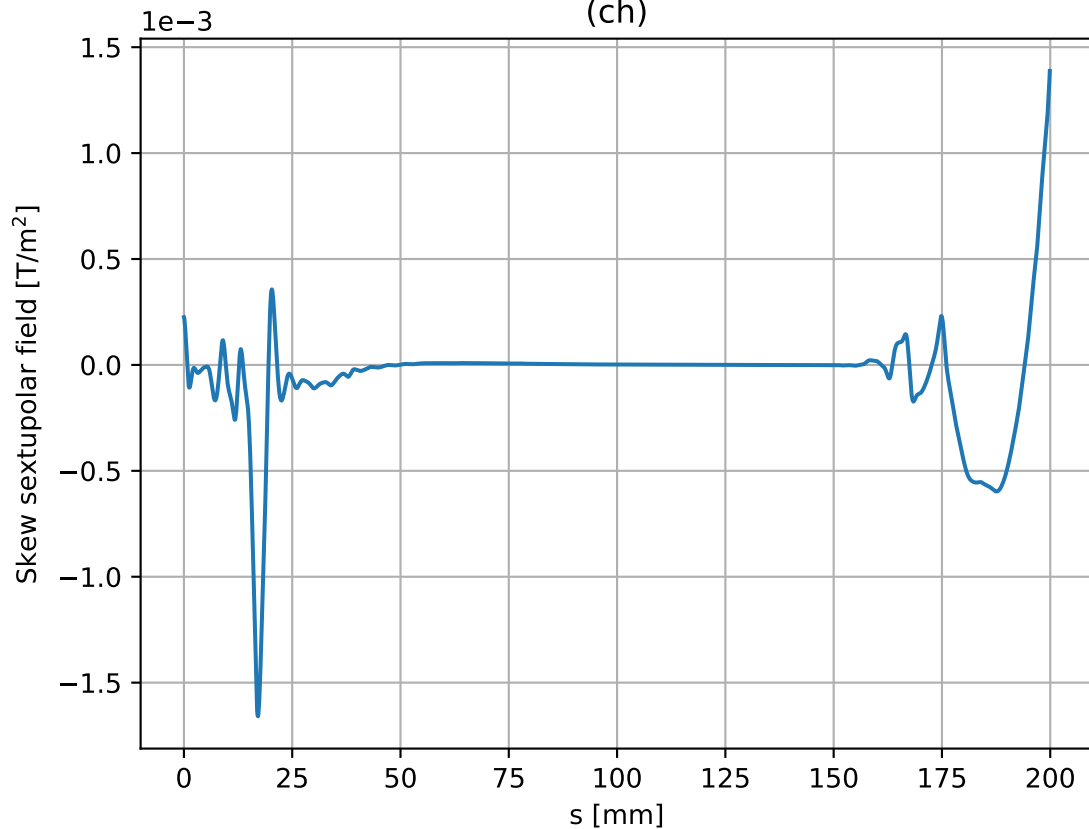

Skew dipolar field along trajectory  
(ch)

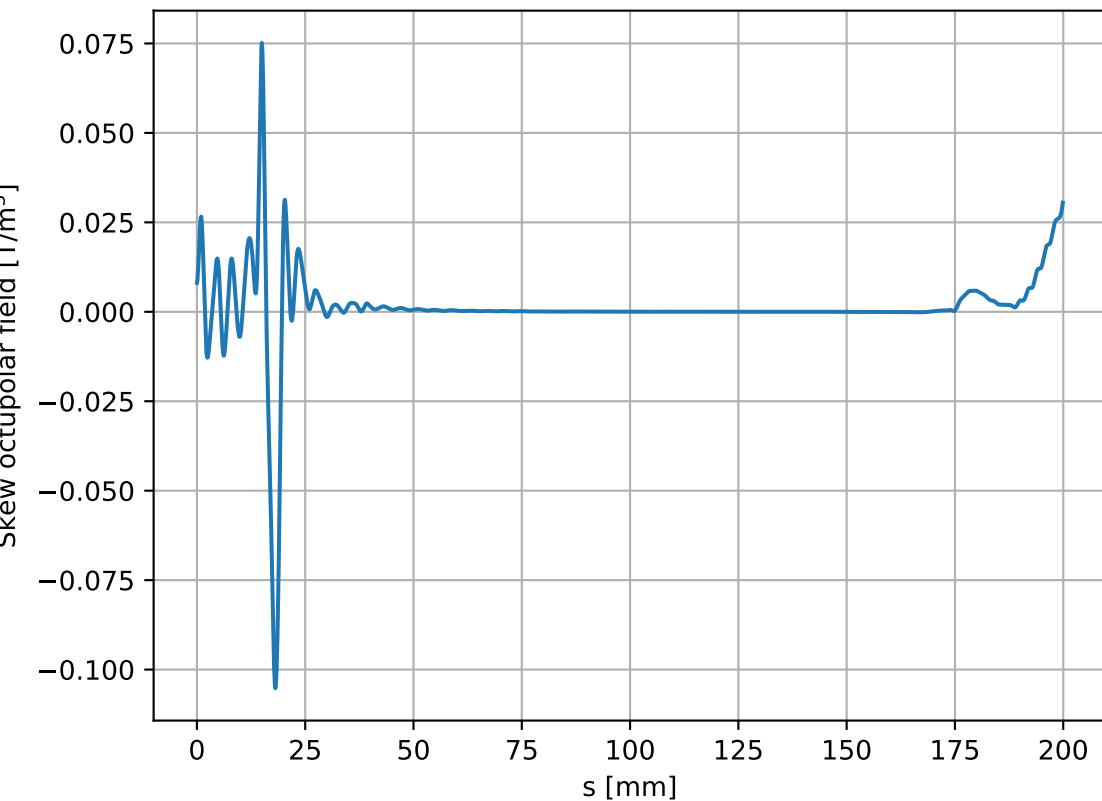

Skew quadrupolar field along trajectory  
(ch)

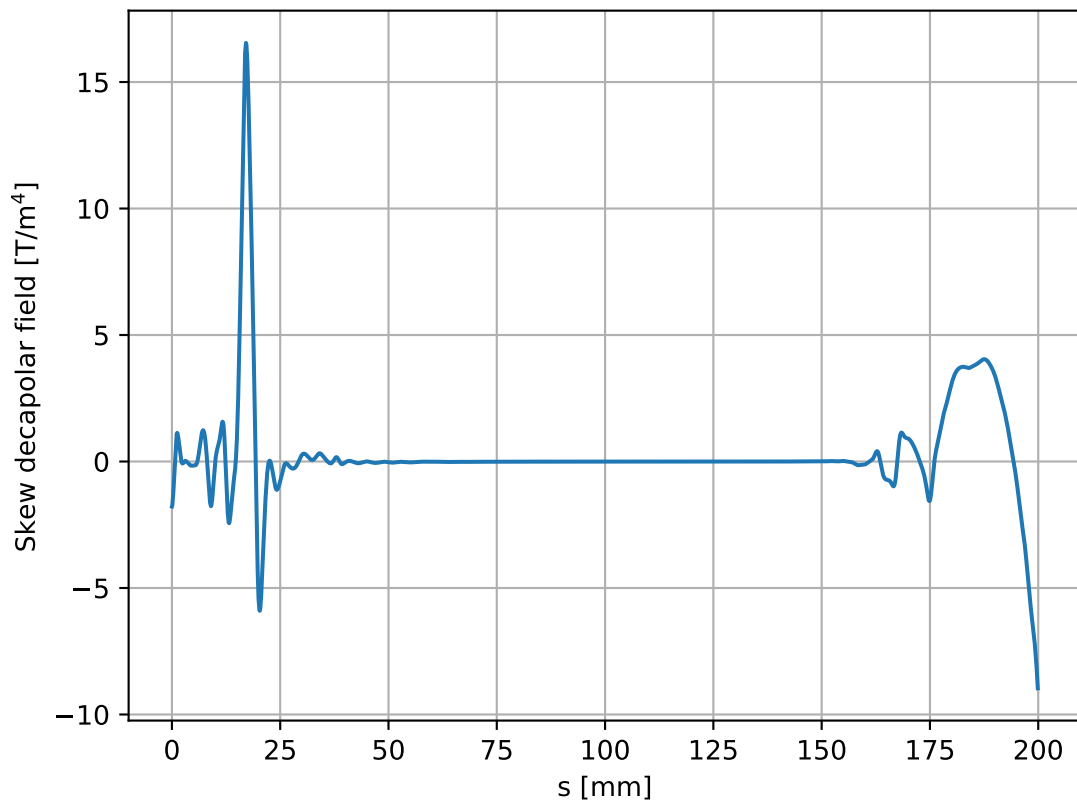

Skew sextupolar field along trajectory  
(ch)

Skew octupolar field along trajectory  
(ch)

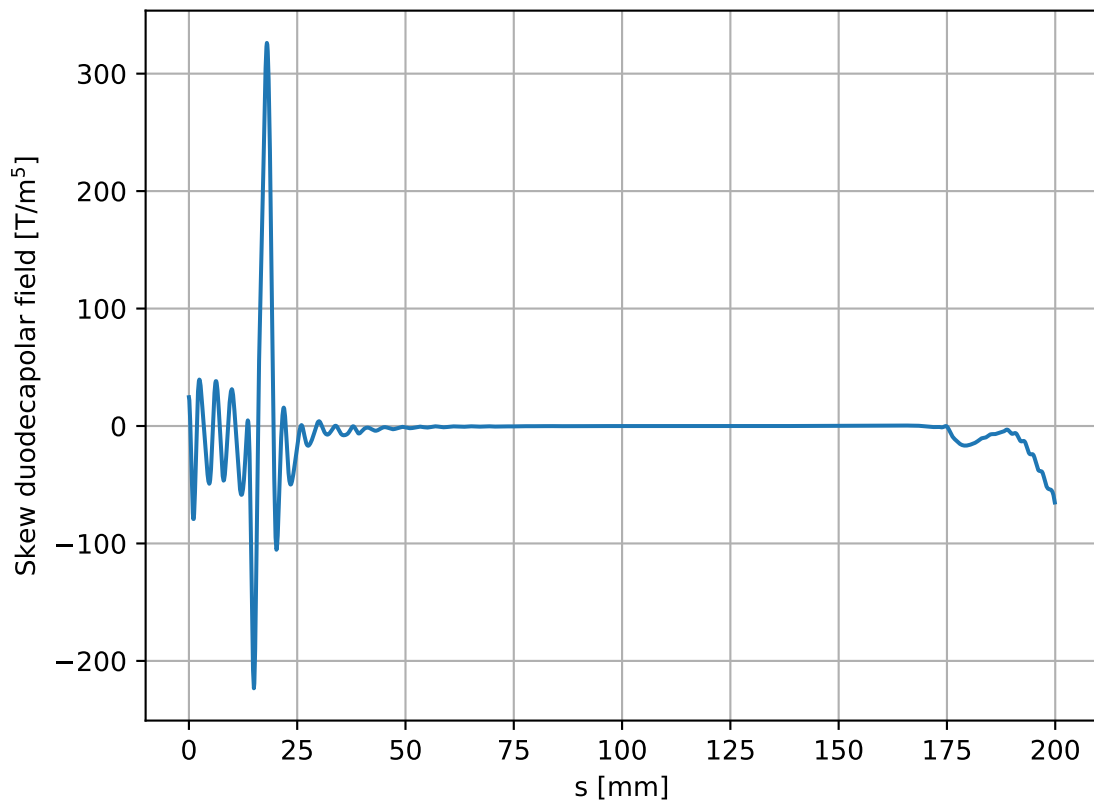

Skew decapolar field along trajectory  
(ch)

Skew duodecapolar field along trajectory  
(ch)

Skew  $2*(6+1)$ -polar field along trajectory  
(ch)
